

Your gift will keep giving and growing, year after year,

providing hundreds of books to entertain, enrich, educate, inform and inspire our community.

With a gift of \$2,500 or more, you can establish a Permanent Book Fund. Your gift will be invested in perpetuity, with its income used to purchase books annually. You can name the Book Fund and designate the type of books to be purchased. With your permission, your Fund's name will be added to a plaque in the library, and printed on bookplates to be placed in each book that is purchased. A list of these books will be sent annually to the donor or designee.

In order to provide Montrose County residents the full measure of resources, services and access befitting great libraries, we need support beyond our current income, which currently allows us to spend 61% of the state average on books and other materials.

Our goal is to recruit 200 community leaders to establish Permanent Book Funds by 2015, thereby providing a minimum of \$20,000 in annual income to stock the library's shelves with the most current reference materials, the latest award-winning children's books, and the newest best sellers. We invite you to be a part of this exciting effort.
