

MONTROSE REGIONAL LIBRARY DISTRICT WEB ACCESSIBILITY STATEMENT

Adopted 11/4/2024

Revised 5/5/2025

MISSION

The Montrose Regional Library District (MRLD) fosters community by providing resources, encouraging reading, and supporting lifelong learning.

Purpose of the Web Accessibility Policy

The Montrose Regional Library District is committed to making the information and resources available on our website and other digital services accessible to all, meeting Web Content Accessibility Guidelines (WCAG) 2.1 AA by July 1, 2024, and WCAG 2.2 AA by July 1, 2025, as mandated by Colorado House Bill 21-1110. This standard does not apply to web content or district documents produced by MRLD before July 1, 2024.

Principles

While we are aware that there are areas on our website that could be improved for accessibility, we are dedicated to making sure that every visitor to our site has full access to all MRLD web content. We will review all areas of MRLD-produced web content on an ongoing basis. Should a patron identify an accessibility issue with MRLD-supplied web content, the compliance officer will respond within three days of submission and ensure proper steps are taken to address the problem. The Library team will engage in a timely, good-faith, and interactive process to determine whether MRLD can execute a practical and reasonable solution.

Third Party Content

Please note that this site may link to third-party websites or documents that are not accessible. While MRLD cannot control the accessibility of content provided by third parties, we are happy to assist any member of the public with reading and accessing content on our site. Certain files on our website are in Portable Document Format (PDF) and require the free Adobe Acrobat Reader.

Contact Us

Patrons may direct any specific questions, feedback, or issues about the accessibility of any MRLD website or resource to us by email at accessibility@montroselibrary.org or call 970-249-9656.
